Helmets for Kids
 25 YEARS, OVER 22,000 HELMETS GIVEN AWAY

When I started Helmets for Kids in 1999 I never imagined that I would still be giving helmets away 25 years later. In those 25 years I have fitted and given away, free of charge, over 22,000 helmets. Recently I have given helmets to the kids of parents I gave helmets to, years ago. That makes me feel old!! But it feels good!!

Being a Brain Injury Survivor, and 5 time cross country bicyclist, it feels good to have found "purpose" in being a Brain Injury Survivor. If my work has prevented one kid from going through what I've been through and will continue to go through every day of my life, it has been worth it.

As I rapidly approach retirement age, I have made the difficult decision to stop doing "Helmets for Kids" after this year. Since this will be my last year, I would like to give A LOT of helmets away. So I am setting my fundraiser goal for \$10,000. Any help would be greatly appreciated.

I am also looking for speaking opportunities. I speak in schools, daycares, civic clubs, hospitals, wherever people want to hear my story. Please consider helping me to raise enough money to meet my goal of \$10,000.

Thank You
