VOTE!
SEAN SULLIVAN
OTTER TAIL COUNTY COMMISSIONER DISTRICT 5

It's been said that we can't cut our way to prosperity, but I believe otherwise. One thing is clear: we cannot tax our way to prosperity!! The city property tax levy is budgeted to increase by 9.75% in 2025, this crushes success, can you imagine these same increases happening at the county level? By eliminating wasteful spending, reducing regulatory burdens, and ideally lowering taxes, we can create an environment that fosters economic growth. Every dollar spent must be scrutinized to ensure we are using taxpayer funds effectively and efficiently. With the right strategies and leadership in place, we can indeed cut our way to prosperity.

Throughout my career, whether in the military or the business world- I've made it my mission to build strong relationships and work collaboratively to achieve shared goals. I bring this same commitment to serving you the people of Otter Tail County. We deserve nothing less than the very best from our elected officials. To maintain public trust, we must actively call out conflicts of interest and unethical behavior. I pledge to uphold these standards and continue fighting for what's right for all of us.

DARREN APPERT
Candidate for Ward 1

My prior experience 2015-18 will allow me to hit the ground running. We need to take our foot off the gas on city spending. For 2025 between city and county tax increases are projected to be double digit. This is a very real Burden on our residents and business's. We need to find ways of helping our current businesses to grow and welcome new businesses with a can do attitude.

I would like your vote on or before November 5, 2024

System Analyst Location: Fergus Falls, MN

Description

At Otter Tail Power, our employees help us to serve the communities we support by producing reliable, affordable, and environmentally responsible electricity. In this role, the System Analyst will analyze data, prepare reports, and provide insights to support decision-making processes at OTP. Some examples of activities include:

- Ensure optimal performance of the Advanced Metering Infrastructure (AMI) and the Advanced Load Management (ALM) systems.
- Optimize the systems by determining root causes and troubleshooting problems
- Operate the test environment by keeping the system up to date, assisting with new versions and perform tests

Qualifications

We're seeking detailed, analytical candidates with a wide range of skills who are passionate about getting projects completed on-time, at an exceptional standard. Some examples of what we're looking for include:

- There's a lot of innovation in our industry and we want positive, can-do people who are resilient through the challenges that sometimes come with change.
- We have a lot to accomplish so top candidates will be able to independently direct and manage their time and responsibilities.
- A thorough knowledge and understanding of computer principles and techniques necessary to manage software applications and systems.
- To hit the ground running; foundational knowledge via a 4-year degree in a computer science or related field or equivalent work experience is preferred.
- Some overnight travel will be required to be successful in this role.

Offering

We believe employment is a partnership and we expect excellence from our talented employees and we are committed to provide an exceptional work environment in return. To support our employees and help them thrive in their career experience and goals, we offer

- Competitive wage & benefit package that includes access to mental health support from the experts at The Village Family Service Center.
- Training – all employees have access to on-demand and in-person training courses covering a wide variety of topics, including technical, compliance, developmental, and safety – one of our 5 values and key to our success.
- Career development is critical to our long-term success. Otter Tail Power employees have opportunities to participate in various leadership development programs, gain access to an a la carte online leadership course catalog, receive mentorship from current leaders and more!

If this sounds like a great fit for you, apply today. Don't wait too long though! To apply, visit our careers page at www.otpco.com. In addition to the online application, please upload a current resume. We'll accept applications through October 18, 2024.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.

At Otter Tail Power Company, our employees support the communities we serve by producing reliable, affordable, and environmentally responsible electricity. Everyone has an important role in accomplishing these objectives! This position will play a crucial role in ensuring the accuracy and integrity of the company's financial controls and reporting by overseeing and collaborate with project teams and grant compliance process. This position requires a highly organized, enthusiastic, innovative, team-oriented professional that can foster positive relationships within the organization and external parties.

Key Responsibilities

- Collaborate with relevant stakeholders to gather necessary data to ensure budget, schedule, and risk
- This role will organize and lead aspects of the individual projects such as, material inventory, and financial reconciliations while performing other necessary support tasks including producing project reports and managing action items.
- Learn the details of different projects to provide guidance and support to project and grant teams on financial matters.
- Monitor grant funds and expenditures to ensure they are used in accordance with grant agreements and budgets.
- Collaborate with grant managers and other teams track project progress
- Communicate with employees throughout the company and with vendors daily.
- Ensure timely and accurate submission of financial reports to internal management and external funding agencies
- Assist with regular reviews and audits to ensure adherence to grant requirements and financial policies.

Qualifications

- Bachelor's degree with emphasis in accounting or associates degree with equivalent work experience.
- Knowledge of accounting principles, procedures and practices, and advanced skills using Excel, Word and experience with Financial Information Systems is a must.
- Must understand budgets, forecasts, cash flows, cash commitments, project accounting, billing processes, and administration of construction funds
- Strong understanding of grant accounting regulations, financial reporting standards, and compliance requirements is a plus.
- Excellent verbal and written communication skills as well as high quality customer relation skills with internal and external parties is needed.
- Attention to detail and accuracy, along with excellent time management skills are essential.

Don't meet every single requirement? Studies have shown that some candidates are less likely to apply to jobs unless they meet every single qualification. At OTP, we are dedicated to building a workplace that fosters diverse perspectives and skillsets, so if you're excited about this role but your past experience doesn't align perfectly with every qualification, we encourage you to apply anyways. You may be just the right candidate for this or other roles.

Resume deadline

September 2, 2024

We believe employment is a partnership and we expect excellence from our talented employees. To support our employees and help drive their career experience and goals Otter Tail Power Company has a competitive wage and benefit package and has a strong focus on talent development. Apply online at Otter Tail Power Company Jobs page.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.

Do you know 12 people who want to adopt a dog or a cat? Neither do we.

By Kristi Lausch, for the Humane Society of Otter Tail County

When people are in crisis, so are their pets. This statement truly reflects the number of shelter residents on any given day during this past year. In 2024, the Humane Society of Otter Tail County has taken in record numbers of cats, dogs and other "pocket pets" such as rabbits and gerbils. The HSOTC budget is stretched and workers are tired and we hope you will answer the call to help in any number of ways. **1)** Please educate those around you about the need to spay/neuter and leash the pets in their care. **2)** Donate money or products such as food, treats, litter, paper towels or cleaning supplies. **3)** Volunteer to walk and socialize dogs or cuddle cats. **4)** Follow the HSOTC Facebook page and share a post. **5)** Advocate for adoption. **6)** Talk to city leaders and business owners about ways they can help support the critical services provided by the HSOTC. As a totally independent, non-profit, 501c3 organization, the HSOTC *is funded by donor support*. Ask yourself, what would happen if there were no animal shelter?

With 86 cats/kittens in the care of the HSOTC (either on site, or with a foster family), potential adopters will find diversity in adoption choices! From brown, black, white, striped, skinny, plump, male, female, naughty and nice cats, there is a personality suited to every lifestyle! And of course, all adoption fees include spay/neuter, current vaccines and a micro-chip and the staff will confidently brag they are some of the healthiest felines around! The HSOTC also has a tremendous selection of dogs, *many of whom have been shelter residents for months* and they too come fully vetted and ready for their forever homes. One thing is certain, an investment in a shelter dog or cat, will reward you with unconditional love. Please take a peek at a few of the featured dogs and cats at www.humanesocietyotc.org.

Lastly, please mark your calendars and make plans to attend the **HSOTC 2nd annual PANCAKES FOR PAWS to be held on Saturday, November 16th, from 9 am -12 noon at the Fergus Falls Area Eagles Club, located at 120 South Peck Street.** A friendly crew will be serving up hot and fluffy pancakes, scrambled eggs, sausage and a beverage for \$10/adult and \$5/child (age 4-12), age 3 and under eat free! **And of course you can expect a super-duper-fun silent auction.** If you have a new silent auction item or basket to donate, kindly drop items at the shelter, during regular hours. All proceeds will benefit the Humane Society of Otter Tail County.

Thank you for coming to the rescue!

Helmets for Kids

25 YEARS, OVER 22,000 HELMETS GIVEN AWAY

When I started Helmets for Kids in 1999 I never imagined that I would still be giving helmets away 25 years later. In those 25 years I have fitted and given away, free of charge, over 22,000 helmets. Recently I have given helmets to the kids of parents I gave helmets to, years ago. That makes me feel old!! But it feels good!!

Being a Brain Injury Survivor, and 5 time cross country bicyclist, it feels good to have found "purpose" in being a Brain Injury Survivor. If my work has prevented one kid from going through what I've been through and will continue to go through every day of my life, it has been worth it.

As I rapidly approach retirement age, I have made the difficult decision to stop doing "Helmets for Kids" after this year. Since this will be my last year, I would like to give A LOT of helmets away. So I am setting my fundraiser goal for \$10,000. Any help would be greatly appreciated.

I am also looking for speaking opportunities. I speak in schools, daycares, civic clubs, hospitals, wherever people want to hear my story. Please consider helping me to raise enough money to meet my goal of \$10,000.

Thank You
