**VOTE Anthony Hicks**  
for Fergus Falls Mayor!

**ACCOUNTABILITY**  
As Mayor, I will be honored to represent the citizens of Fergus Falls and will ensure that the council and staff are held accountable to their designated responsibilities. Strong leadership and clear direction are essential for the success of our city.

**LEADERSHIP**  
My business experience will help our community build consensus, fostering unity and shared success. I will serve as a bridge between the voters and local government, bringing a deep understanding of our city to address its unique needs together.

**FISCAL RESPONSIBILITY**  
With extensive experience in budget management, I have successfully overseen both operational and capital expenditures to ensure sound financial stewardship. As your mayor, I will provide responsible leadership for Fergus Falls' spending, saving, and investment decisions.

## DARREN APPERT

Candidate for Ward 1

My prior experience 2015-18 will allow me to hit the ground running. We need to take our foot off the gas on city spending. For 2025 between city and county tax increases are projected to be double digit. This is a very real Burden on our residents and business's. We need to find ways of helping our current businesses to grow and welcome new businesses with a can do attitude.

I would like your vote on or before November 5, 2024

THANKS FOR YOUR SUPPORT!

## SEAN SULLIVAN

OTTER TAIL COUNTY COMMISSIONER DISTRICT 5

It's been said that we can't cut our way to prosperity, but I believe otherwise. One thing is clear: we cannot tax our way to prosperity!! The city property tax levy is budgeted to increase by 9.75% in 2025, this crushes success, can you imagine these same increases happening at the county level? By eliminating wasteful spending, reducing regulatory burdens, and ideally lowering taxes, we can create an environment that fosters economic growth. Every dollar spent must be scrutinized to ensure we are using taxpayer funds effectively and efficiently. With the right strategies and leadership in place, we can indeed cut our way to prosperity.

Throughout my career, whether in the military or the business world- I've made it my mission to build strong relationships and work collaboratively to achieve shared goals. I bring this same commitment to serving you the people of Otter Tail County. We deserve nothing less than the very best from our elected officials. To maintain public trust, we must actively call out conflicts of interest and unethical behavior. I pledge to uphold these standards and continue fighting for what's right for all of us.

**Helmets for Kids**  
25 YEARS, OVER 22,000 HELMETS GIVEN AWAY

When I started Helmets for Kids in 1999 I never imagined that I would still be giving helmets away 25 years later. In those 25 years I have fitted and given away, free of charge, over 22,000 helmets. Recently I have given helmets to the kids of parents I gave helmets to, years ago. That makes me feel old!! But it feels good!!

Being a Brain Injury Survivor, and 5 time cross country bicyclist, it feels good to have found "purpose" in being a Brain Injury Survivor. If my work has prevented one kid from going through what I've been through and will continue to go through every day of my life, it has been worth it.

As I rapidly approach retirement age, I have made the difficult decision to stop doing "Helmets for Kids" after this year. Since this will be my last year, I would like to give A LOT of helmets away. So I am setting my fundraiser goal for \$10,000. Any help would be greatly appreciated.

I am also looking for speaking opportunities. I speak in schools, daycares, civic clubs, hospitals, wherever people want to hear my story.

Please consider helping me to raise enough money to meet my goal of \$10,000.

## Industrial Services Engineer External

At Otter Tail Power, our employees help us serve the communities we support by producing reliable, affordable, and environmentally responsible electricity. In this role, the Industrial Services Engineer will support, manage, and grow our key customers by implementing new technology or management tools.

Examples of those activities will include:

- Lead the energy transition by developing customer adoption strategies for energy efficiency, renewable energy, and dynamic load management programs.
- Develop and implement tools for estimating and comparing costs of various customer scenarios, including: rates, billing impact, energy savings, rebates, return on investment, etc.
- Build and maintain relationships with key decision makers at three levels (Day-To-Day, Managerial, Executive) within a strategic customer's organization.
- Collaborate with cross functional teams to create and communicate marketing programs, services, technologies, and energy rates.
- Serve as the primary point of contact for the customers, including during times of power quality and reliability challenges, to meet sales goals.
- Establish relationships and negotiate with potential strategic customers to establish new electric service agreements. Includes facilitating design, system implications and 'cost of service' studies.
- Travel to assigned customer facilities [1-4] times per month to understand critical operations, Otter Tail's service delivery, impact of outages, load growth, reliability requirements and identify potential enhanced service solutions.

### Qualifications

We're seeking candidates with a wide range of skills who are motivated to customer stakeholders to the best path forward while aligning with our core values: Integrity, Community, Safety, Resourcefulness, Customer Service and People.

- Resourceful, positive team members who are results-driven and action-oriented
- Strong public relations skills, including the ability to handle controversial situations, contract negotiations, and frequent public speaking, are vital to ensuring an excellent customer and community experience while meeting company goals.
- A strategic growth mindset with analytical and project management skills will allow you to conceive solutions and successfully implement them.
- Five years of experience in engineering, energy management, processing, manufacturing, HVAC, sales, or other technical/electrical/customer service, and CEM, PE, or EIT certification is preferred.
- Bachelor's degree in mechanical, electrical, or related engineering preferred and/or a minimum of five years of commercial/industrial energy audit experience
- If you do not have the years of work experience or completed bachelor's degree, but have the skills reflected in our core values we encourage you to apply. Selected candidates will be required to complete a pre-interview assessment.

### Offering

We believe employment is a partnership and we expect excellence from our talented employees. To support our employees and help them thrive in their career experience and goals, we offer:

- Competitive wage & benefit package.
  - o Employee Stock Ownership options
  - o Retirement Savings Fund with employer match
  - o Health insurance plan options
- Training – our average employee spends hours in training and development each year! This includes safety – one of our 6 values and key to our success – technical, compliance and developmental training.
- Growth – a cross functional position that presents to and is meeting with our executive team. Previous individuals in this role have become our Manager of Sales, Area Manager, and Manager of Asset Strategies.
- Career development is critical to our long-term success. Otter Tail Power employees have opportunities to participate in various leadership development programs, gain access to an a la carte online leadership course catalog, receive mentorship from current leaders and more!
- Access to mental health support from the experts at the EAP SupportLinc.
- Flexibility in location. Preferred location is Fergus Fall, MN, but can be officed from any of our Customer Service Centers. Willingness to come into the office 3 days per week.

If this looks like a great opportunity, apply now! Applications accepted through November 1, 2024.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.

# DOMESTIC VIOLENCE AWARENESS

## A COMMUNITY PRIORITY

Domestic violence is a pervasive issue that affects communities of all sizes and demographics, including our own. It is a complex problem with far-reaching consequences for victims, families, and society as a whole.

Domestic or intimate partner violence is a pattern of abusive behavior in a relationship that is used by one partner or individual to gain or maintain power and control over another person. Domestic/intimate partner violence can be physical, sexual, emotional, economic, or psychological actions or threats of actions that influence another person. This includes any behaviors that intimidate, manipulate, humiliate, isolate, frighten, terrorize, coerce, threaten, blame, hurt, injure, or wound someone.

Unfortunately, domestic violence is a widespread problem in our society. Statistics show that **1 in 3 women and 1 in 4 men in the United States have experienced some form of physical violence by an intimate partner.** In the last year, Someplace Safe provided services and support to nearly 3,000 local victims and survivors in west central Minnesota. Locally, in Otter Tail County, Someplace Safe assisted 435 survivors of domestic violence, 66 survivors of sexual assault/exploitation, and 364 survivors of general crimes (includes harassment, abuse in later life, theft, bullying, etc).

Each October, Someplace Safe, as well as communities, survivors, and allies across the nation honor survivors

and spread awareness of domestic violence.

### Why Domestic Violence Awareness Matters

- **Breaking the Silence:** Raising awareness can help victims feel empowered to speak out and seek help.
- **Challenging Societal Norms:** By promoting healthy relationships and challenging harmful gender roles, we can create a culture that doesn't tolerate abuse.
- **Supporting Survivors:** Understanding the signs of domestic violence can enable individuals to offer support and resources to those in need.
- **Preventing Future Abuse:** Education and prevention programs can help young people develop healthy relationships and recognize the warning signs of abuse.

### How Communities Can Help

- **Support Someplace Safe:** Donate, volunteer, and support the work of Someplace Safe. There are a variety of volunteer opportunities available, including at the Someplace Safe Fergus Falls Thrift Store.
- **Educate Yourself:** Learn about the signs of domestic violence and how you can help.
- **Talk Openly:** Encourage open conversations about domestic violence with friends, family, and coworkers.
- **Challenge Harmful Stereotypes:** Speak out against harmful gender roles and myths about

domestic violence.

- **Be a Supportive Bystander:** If you see something, say something. Intervene if you witness abusive behaviors.

Remember, domestic violence is not okay. It's a crime, and victims deserve justice and support. If you or someone you know is experiencing domestic violence, please reach out for help. You can call Someplace Safe's Crisis Hotline 24/7 at 800-974-3359. Let's work together to create a future free from domestic violence.

**For more information on Someplace Safe services, volunteer opportunities, or ways to give, visit [www.someplacesafe.info](http://www.someplacesafe.info).** Accessible services are available to all clients. Accessibility includes interpreters (foreign language and DHH), live chat, and text.
