The loved, the lost and found. A Humane Society recap of 2024.

By Kristi Lausch, for the Humane Society of Otter Tail County

As an open-admission shelter for residents of Otter Tail County, the Humane Society welcomes diversity and provides compassionate care for all pets – the good, the bad, the ugly, the adorable, the healthy, sick and injured. The mission to find homes for the homeless animals and to connect friends for life is the most important and rewarding work for shelter staff and volunteers. In 2024, 601 animals came through the shelter doors either by owner relinquishment, strays, acquired by animal control officers or transferred from other shelters. Proudly, 364 were adopted and another 122 lost animals were reunited with their worried owners. An additional 138 dogs and cats were fed through the HSOTC emergency food pantry program.

And here are some important facts to remember regarding stray animals in your community: HSOTC is a private non-profit and not affiliated with any government agency/entity. The shelter is typically at capacity with every kennel full and more are on an "intake hold" until they can make room by adopting other animals out. We do NOT euthanize for time or space like so many other shelters in the nation do. EVERY adoptable animal stays with us for as long as it takes for them to find a home and in come cases that can take months.

HSOTC has a very small team of 8 extremely dedicated and passionate individuals that determine when/if they can take in animals and ask that you remember they are working hard and always doing what is in the best interest of the animals in their care. If you find a stray animal, you can help manage shelter intake by providing information on the animal such as breed and location to the HSOTC and also the Otter Tail County Sheriff's Office at 218-998-8555, in case an owner has called looking for them. You should then post a picture on a public lost animal page such as Fergus Falls Lost Pet Alert of East Otter Tail County Lost Pets. This is a very good resource that has helped many pets get reunited quickly. The HSOTC is also willing to scan pets for a microchip as well. Please note, we are unable to accept strays from outside the county.

Lastly, the HSOTC would like to THANK the many people who brought in food, litter, bones, treats and toys during the holiday season. With the average length of stay at 41 days, some animals can be shelter residents for extended periods of time and it is important to ensure they are as comfortable as possible. Enrichment activities, toys, beds, attention from volunteers and music are all important steps to make their shelter stay more positive, especially during these long winter days. The HSOTC is always looking for "dedicated and hardy dog walkers" willing to take animals out in all weather conditions, or sit in the climate-controlled comfort of the cat suites and snuggle the feline friends. Shelter staff is extremely grateful for the 1,342 volunteer hours that were given in 2024 and hope you know the important work could not be done without you. If you would be interested in attending an upcoming volunteer information and training session, please call the shelter to register at 218-739-3494. THANK YOU FOR COMING TO THE RESCUE this past year and for providing a place of safety, healing and hope for the pets and people of Otter Tail County.
